Introductory Proficiency Workshop

(Transforming Education—Achievement for All)

Participants will be introduced to an integrated, standards-based system of education that represents a synthesis of research and best practice—a system that enables ALL students to succeed. The workshop qualifies as a professional development expense for Title IA Stimulus or Title IIA.

In this introductory 2-day workshop, participants will learn about:

- Developing a learning-centered, proficiency-based classroom
- Time vs. proficiency-based education
- Developing proficiency-based teaching and assessments
- Creating sufficiency/proficiency criteria and levels for standards
- Electronic reporting
- Proficiency lessons learned after 7 years of working with teachers/schools

Workshop Facilitator:

Diane Smith, Director of Curriculum and Instruction
Greater Albany Public School District; and BEC instructor

Who Should Attend:

Middle and/or high school teams should include teachers, school and district administrators

Dates and Location:

Thursday and Friday, October 29th and 30th

Tualatin Country Club in Tualatin, Oregon (8:00 AM to 3:30 PM)
Facility sponsored by a Country Club member

Price:

\$230 per attendee for two days, includes continental breakfast and lunch, a memory stick loaded with workshop materials—and a few golf surprises for fun!!

Registration:

Register online at www.becpdx.org under Quick Links/"Workshop and Events". Space is limited so register early and save seats! (Graduate credits available through Portland State University and professional development units awarded.)
